

This week has been fantastic! Surlingham came second in the basketball tournament at Framingham Earl – a huge well done to all the players for their effort and teamwork. We also really enjoyed our Parent Café – a big thank you to all the parents and carers who came along. It was wonderful to feel the school buzzing with excitement and enthusiasm for maths!

Looking ahead, we're excited to announce another Open Morning on 8th December. Please help us spread the word – we'd love to welcome even more families to come and see the school in action.

Maths Café Fun This Week!

We loved hosting our Maths Cafés at school this week – thank you to everyone who was able to attend! A big thank you also goes to all the teachers who organised another fabulous café for the children. The pupils enjoyed a wide range of engaging maths-themed activities, exploring everything from shapes and symmetry to number work and fractions. It was wonderful to see children collaborating, problem-solving, and having fun with maths in such creative ways. The café provided a great opportunity for hands-on learning and for families to join in the excitement of discovering maths together.

🏀 Basketball Success! 🏀

Surlingham absolutely shone on the basketball court at Framingham Earl High School this week. After winning their round robin tournament, they pushed through to the finals and finished third overall!

The team showed outstanding determination, sportsmanship, and teamwork from start to finish.

We are incredibly proud of every single one of you — well done, team Surlingham! 🙌👏

We are having another Open Morning on Monday, 8th December 09:00 to 10:30

Please share the posters and encourage anyone you know with a child starting school soon (or wanting an in-year transfer) to come and visit.

Attendance

Our school target for attendance this year is **97%**.

Our attendance this week is **91.6%**

Big Norfolk Holiday Fun

We're delighted to say that the Big Norfolk Holiday Fun programme is live this school holiday.

Big Norfolk Holiday Fun (BNHF) activity programme provides holiday activities for children and young people aged 5-16 (or 4 if your child is in reception) in Norfolk.

The UK Government's funding for the programme has been extended for a further 3 years, after 5 initial years of their support.

Children who receive benefits-related free school meals can claim free spaces on the activities, whilst paid spots are available on many activities for those who don't.

Active Norfolk and Norfolk activity providers have helped facilitate multiple fun activities designed for children aged 5-16 during the holidays, with free slots for children who receive benefits-related free school meals.

Parents and carers can book their child's holiday activities using our activity finder:
